INDORAMA VENTURES SUSTAINABLE SOLUTIONS FROM BRAZIL

Acquired in June 2020 and expanded in August 2023 by Indorama Ventures, the bottle-to-bottle PET plant located in Juiz de Fora is a key asset to support company sustainability targets. As number one producer of PET worldwide and also number one PET recycler in world, Indorama Ventures brings to Brazil through Juiz de Fora a sustainable PET solution. From June 2020 to May 2024 Indorama Ventures Juiz de Fora had reached 1.5 billion PET bottles recycled.

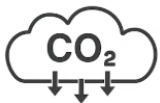

HERE ARE THE KEY NUMBERS IN THIS JOURNEY

1.5 billion of post consume bottles recycled

32,000 tons of waste diverted from environment

44,500,000 kg of carbon footprint reduction
